### Birth Name:

### History, Memories & Miscellaneous Information:

(Provide further details about the items listed on Page 1, i.e. birth dates of parents and children, death dates for same, etc. For occupations, list specific jobs; for places lived, list addresses and give a description of living arrangements, etc. In addition, provide life memories of the person and include schools attended, hobbies enjoyed, grandparents, pets, and other interesting information. Use additional sheets if needed. Do not feel that you must provide an entire life history. Any information given will be useful to researchers.)
